Now accepting applications!

We are seeking **mission aligned** folks who are **passionate** about **shifting the wellness narrative in under-resourced schools** through the **practices of mindfulness and yoga**.

Our instructor intensive is for anyone with a background or interest in yoga, mindfulness, social emotional learning, mental health, education or related fields. This immersive, **45 hour training** is **specialized to meet the nuance of serving our core population** in the school setting, and **eliminates the barrier of having a traditional 200 hour yoga teacher certification**.

Graduates of the program will be certified to facilitate our signature 20 week curriculum within a community of partner schools in the Cleveland Metropolitan and surrounding districts.
